MEMORANDUM FOR: Deputy Director of Operations, DPD-ID/P
SUBJECT : Escape and Evasion Training and Equipment
REFERENCE : DPD-0252-59, dated 9 January 1959

1. I concur with transferring responsibility for Escape and Evasion training and equipment from this office to that of the Director of Operations. [REDACTED] will be returning from TDY in Europe shortly, and I will suggest to him that the files be transferred to your office at that time.

2. I believe it would be useful for my office to maintain contact with [REDACTED] on E & E matters, on a coordination basis at least, especially where E & E requirements touch on normal Agency business; i.e., Office of Training schedules, funds for purchase of equipment, security aspects of E & E training, documentation and the like. I assume that you would have no objection to this.
